

## The Anixter Difference

Anixter has served the Latin American market for more than 20 years, and we have a strong sales, service and logistics network unmatched within the region. Currently, we are present in 12 countries (Argentina, Brazil, Chile, Colombia, Costa Rica, Dominican Republic, Jamaica, Mexico, Panama, Peru, Puerto Rico and Venezuela) and are capable of reaching customers in every country within the region via our unique logistics infrastructure. We conduct business locally, speaking the language of our customers and billing in 12 local currencies. Our more than 290 associates serve the market via 14 stocking locations which house inventory in excess of \$30 million.

"Anixter has proudly served the Latin American market for more than 20 years with a sales, service and logistics network unmatched within the region. Anixter is a global company, but we conduct business in each country on a local basis. Our sales specialists in Latin America speak the native language, bill in the local currency and are well versed in the local customs."

Marlowe Taylor

President Anixter Latin America & Asia Pacific

Anixter Inc. is the world's leading supplier of Supply Chain Services and products used to connect voice, video, data and security systems. Anixter is also the leading provider of specialty electrical and electronic wire and cable for building construction, industrial maintenance and repair, and original equipment manufacturing, as well as the leader in providing fasteners and "C" Class components to OEMs and production lines. We bundle our products with our innovative Supply Chain Services to help control the cost of our customers' business processes, reduce their investment in inventory, and ensure they get the right product when they need it.

A publicly held company, Anixter, with its subsidiaries, serves companies in more than 46 countries around the world. Anixter's total revenue exceeds \$4.9 billion.
